

## Creating your next successful steps

Aspire People is an education recruitment consultancy, dedicated to **helping talented education staff discover new and exciting opportunities** in schools.

Aspire People won't just find you work, we **listen** to the type of school and opportunity you want, finding you roles **unique** to you.

In a recent survey candidates rated Aspire People 10/10 for recruitment consultant **contact and service**. You will get individual, tailored advice on your career

## How can Aspire People help?

Finding work can be very daunting at times.

- What types of jobs do you apply for?
- What kinds of roles are out there?
- Will they put me through training?
- How do I build up my confidence?

The questions are endless and can leave you feeling worried about your future but **Aspire People will support you through everything in your search for a new job.**

## What opportunities are there?

Aspire People will create a career plan unique to your ambitions, whether you want to take your next promotional step or retire. Opportunities can be permanent, temporary, part-time or flexible day to day work at schools local to you. Aspire People don't just recruit teachers but all types of roles you find in schools whether that be office staff or technical support.

If you are **unemployed** we will ensure you are kept busy with day2day work until you find a school that matches your characteristics and career objectives.
