

Return to Teaching

Are you a qualified Primary Teacher who has had a career break for 12 months or more?

Then come on a **RETURN TO TEACHING COURSE** to update your knowledge and skills to enable you to make a smooth, successful and confident return to the classroom.

EM Direct has been a national leader in Returner Course provision for the last 10 years. Over 1,000 teachers have attended our Return to Teaching courses, which have previously been funded by the TDA. Sadly, however, TDA funding is being discontinued, so EM Direct is launching a new series of self-funded courses starting in September 2011 in the following locations.

| | |
|------------------|---------------------------|
| Autumn Term 2011 | Cambridge and York |
| Spring Term 2012 | Newcastle and Coventry |
| Summer Term 2012 | North London and Grantham |

The courses, which cost £810 per person, are for qualified Primary teachers who have been out of the classroom for 12 months or more and would like to return in a full-time, part-time or supply teaching capacity. We will also consider applications from former secondary teachers now looking to teach in a primary school.

Without this course, I very much doubt I would have been successful in finding employment..
